

We are searching for a Psychiatrist to join the Behavioral health team of the Chickasaw Nation Health System in Ada. The BH Clinic has excellent therapists and support staff. This is an employed, Outpatient position with NO CALL and occasional inpatient consults. A new 72-bed hospital facility will be completed by the end of 2009. The purpose of this position is to provide specialty care dealing with the diagnosis and treatment of mental, addictive, and emotional disorders, such as psychoses, depression, anxiety disorders, and adjustment reactions.

Candidate should be a graduate of an accredited Medical or Osteopathic School and have completed a U.S. accredited Psychiatry residency program. Must have a state medical license and possess or be eligible for an Oklahoma State Medical License. Preferred qualifications include Board Certification in Psychiatry and two to five years post-residency experience.

Excellent employee benefits include medical /dental insurance at no cost to the employee, very low-cost family coverage, 401K with 5% matching, annual incentive program, vision insurance and a pharmacy prescription card benefit. Extended physician benefits include generous annual and sick leave accrual in addition to thirteen tribal holidays. Many other perks including relocation and CME time off and expenses.

Ada is nestled in the green hill country of south central Oklahoma. With a population of almost 20,000, this growing city has a variety of amenities including local restaurants, shops, movie theatre and an increasing number of recognizable branded businesses (i.e., The Home Depot, Starbucks, etc.). Ada is only 1 hour from a metropolitan area. The Oklahoma City Airport is approximately 1.5 hours away and the DFW (Dallas/Ft. Worth) International Airport is only 2.5 hours.

The Chickasaw Nation Health System offers competitive employment compensation, excellent benefits, a stable environment and an appreciative patient population. Malpractice is covered by Federal Tort Law.
